All Phoenix designs and tee shirts are of the highest quality available. Tees are 100% cotton, heavy weight and are double stitched (shoulders, collar and hem) to ensure long wear. We recommend that our designs be placed on the front of bright white or ash tees to maximize color and visibility. Our unique production method guarantees that your design will not crack, peel or fade for the life of the tee.

PRICING (same design on all tees):

50 white tees: \$8.95 ea.....	50 ash tees: \$9.95 ea
100 white tees: \$7.95 ea.....	100 ash tees: \$8.95 ea
200 white tees: \$6.95 ea.....	200 ash tees: \$7.95 ea

Don't see anything you like? Call us and we will custom design a tee specifically for your office. (Art fees may apply).
